S34 E13: What Teachers Have Learned During the Pandemic

Episode | 26m 40s | 2021/09/30 | TV-G

The dean of education at Bradley University and high school and elementary teachers discuss changes in the way children are taught. The corona virus pandemic demands new approaches to education including a wider need for broadband services. The teachers also discuss classroom changes, most notably the need to develop new ways of building relationships with students.
